State Electricity Boards

884. SHRI S.D.N.R. WADIYAR : Will the PRIME MINISTER be pleased to state :

(a) whether the Government propose to review the performance of the State Electricity Boards (SEB's);

(b) if so, the reaction of the State Governments thereon; and

(c) the steps taken to make the SEB's more viable and effective?

THE MINISTER OF STATE IN THE MINISTRY OF POWER AND MINISTER OF STATE IN THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (DR. S. VENUGOPALACHARI) : (a) In view of the persistently unsatisfactory physical and financial performance of State Electricity Boards (SEBs) in general, Government of India has emphasised in its various communications to the State Governments, the need for reforms/ restructuring of the State Power Sector.

(b) Diagnostic studies aimed at improving the physical and financial performance have been initiated in several States namely, Haryana, Uttar Pradesh, Rajasthan, Bihar, Andhra Pradesh and Karnataka. A new reform legislation namely, the Orissa Reform Act, 1995 has been enacted and made effective in the State of Orissa from 1.4.1996. A few other States are also considering taking similar steps.

(c) Besides encouraging the States to restructure their State Electricity Boards, the steps being taken to make the State Electricity Boards more viable include improving their generation, reducing transmission and distribution losses, reducing establishment costs, promoting better management practices and project implementation capabilities and capital restructuring.
